AGREEMENT ADDENDUM

ADDENDUM TO CREATE

A SEPARATE MAINTENANCE AGREEMENT

This ADDENDUM ("Addendum") amends the agreement between you and Xerox to which it is attached (the "Agreement").

The parties agree to the following terms that shall be additive to those found elsewhere in the Agreement:

1. The Minimum Monthly Lease Payment shall not include a Maintenance Component and, as such, Xerox shall not be obligated to maintain the Equipment as part of the Agreement. Instead, you agree that by the inclusion of this Addendum, you and Xerox have entered into a separate and distinct Maintenance Agreement (the "Maintenance Agreement") which shall be in effect for the same period as the Agreement, including any extensions thereof. You further agree that a breach of either the Agreement or the Maintenance Agreement, including any failure on your part to make payments as they become due, shall constitute a breach of both.

2. The terms of the Maintenance Agreement shall be the same as those set out in the Agreement other than (a) as set forth above and (b) the inclusion of the following:

I. **PRICING CHANGES.** Xerox may annually adjust the Monthly Base and Print Charges, each such increase not to exceed 10%. (For state and local government customers, this adjustment shall take place at the commencement of each of your annual contract cycles.)

II. **BILLING.** The Minimum Monthly Maintenance Payment shall consist of the total of (1) any Monthly Base Charge and (2) any Monthly Minimum Number of Prints multiplied by the applicable Meter 1 Print Charge(s). Minimum Monthly Maintenance Payments (and, where applicable, Annual Charges) are billed in advance, with additional Print Charges billed in arrears. For full-color equipment, color prints are counted on Meter 1.

3. The Pricing Details of the Maintenance Agreement shall be as follows:

AGREEMENT ADDENDUM

ADDENDUM TO CREATE

A SEPARATE MAINTENANCE AGREEMENT

This ADDENDUM ("Addendum") amends the agreement between you and Xerox to which it is attached (the "Agreement").

The parties agree to the following terms that shall be additive to those found elsewhere in the Agreement:

1. The Minimum Monthly Lease Payment shall not include a Maintenance Component and, as such, Xerox shall not be obligated to maintain the Equipment as part of the Agreement. Instead, you agree that by the inclusion of this Addendum, you and Xerox have entered into a separate and distinct Maintenance Agreement (the "Maintenance Agreement") which shall be in effect for the same period as the Agreement, including any extensions thereof. You further agree that a breach of either the Agreement or the Maintenance Agreement, including any failure on your part to make payments as they become due, shall constitute a breach of both.
2. The terms of the Maintenance Agreement shall be the same as those set out in the Agreement other than (a) as set forth above and (b) the inclusion of the following:
 - I. **PRICING CHANGES.** Xerox may annually adjust the Monthly Base and Print Charges, each such increase not to exceed 10%. (For state and local government customers, this adjustment shall take place at the commencement of each of your annual contract cycles.)
 - II. **BILLING.** The Minimum Monthly Maintenance Payment shall consist of the total of (1) any Monthly Base Charge and (2) any Monthly Minimum Number of Prints multiplied by the applicable Meter 1 Print Charge(s). Minimum Monthly Maintenance Payments (and, where applicable, Annual Charges) are billed in advance, with additional Print Charges billed in arrears. For full-color equipment, color prints are counted on Meter 1.
3. The Pricing Details of the Maintenance Agreement shall be as follows:

AGREEMENT ADDENDUM

ADDENDUM TO CREATE

A SEPARATE MAINTENANCE AGREEMENT

This ADDENDUM ("Addendum") amends the agreement between you and Xerox to which it is attached (the "Agreement").

The parties agree to the following terms that shall be additive to those found elsewhere in the Agreement:

1. The Minimum Monthly Lease Payment shall not include a Maintenance Component and, as such, Xerox shall not be obligated to maintain the Equipment as part of the Agreement. Instead, you agree that by the inclusion of this Addendum, you and Xerox have entered into a separate and distinct Maintenance Agreement (the "Maintenance Agreement") which shall be in effect for the same period as the Agreement, including any extensions thereof. You further agree that a breach of either the Agreement or the Maintenance Agreement, including any failure on your part to make payments as they become due, shall constitute a breach of both.
2. The terms of the Maintenance Agreement shall be the same as those set out in the Agreement other than (a) as set forth above and (b) the inclusion of the following:
 - I. **PRICING CHANGES.** Xerox may annually adjust the Monthly Base and Print Charges, each such increase not to exceed 10%. (For state and local government customers, this adjustment shall take place at the commencement of each of your annual contract cycles.)
 - II. **BILLING.** The Minimum Monthly Maintenance Payment shall consist of the total of (1) any Monthly Base Charge and (2) any Monthly Minimum Number of Prints multiplied by the applicable Meter 1 Print Charge(s). Minimum Monthly Maintenance Payments (and, where applicable, Annual Charges) are billed in advance, with additional Print Charges billed in arrears. For full-color equipment, color prints are counted on Meter 1.
3. The Pricing Details of the Maintenance Agreement shall be as follows:

This XEROX BLANKET AGREEMENT ("Agreement") is entered into by XEROX CORPORATION ("Xerox") and CIRCUIT CITY STORES, INC. ("Customer").

THIS AGREEMENT, INCLUDING THE ATTACHED PRICING, AND ALL RELATED MATERIALS SUBMITTED HEREUNDER ARE CONSIDERED CONFIDENTIAL AND PROPRIETARY AND MAY NOT BE SHARED WITH ANY PARTY OTHER THAN CUSTOMER, ITS' ATTORNEYS, AUDITORS, ACCOUNTANTS AND OTHER SIMILAR ADVISORS, AND THEN STRICTLY ON A NEED-TO-KNOW BASIS.

1. **SCOPE.** The acquisition (whether by way of purchase, installment purchase or by way of lease) of Xerox Equipment and/or licensing of Xerox Software ("Products") by Customer shall be subject to the prices identified on Exhibit I, the terms and conditions contained in this Agreement, Exhibit II, and any Attachments. The parties agree that in the event of any conflict between the terms and conditions in this Agreement and those contained in any of the documents referenced above, the terms and conditions of this Agreement shall prevail.
 2. **SUBSIDIARIES.** Xerox will also provide (whether by way of purchase, installment purchase or by way of lease) and/or license Products subject to this Agreement to Customer's domestic subsidiaries of which more than 50% of the stock entitled to vote for election of members to such subsidiary's Board of Directors is owned by Customer.
 3. **ORDER DOCUMENTS.** Customer shall issue Order Documents (documents Customer or Xerox require regarding acquisition of Equipment, Software, Maintenance Services, as defined herein, etc.) to Xerox for order entry purposes only, specifying Customer's requested shipment date, installation site, quantities, bill-to address, and product description, including any applicable trade-in Equipment. Such Order Documents must reference this Agreement and its number, and shall be subject solely to this Agreement's terms and conditions, notwithstanding anything contained in such Order Documents which are at variance with or additional to this Agreement.
 4. **PRODUCT AVAILABILITY.** Xerox may withdraw from this Agreement Products that become no longer commercially available during the term of this Agreement. Xerox will provide 90 days advance notification of products being withdrawn from the availability of this Agreement.
 5. **DELIVERY AND REMOVAL.** Xerox will be responsible for all standard delivery and/or removal charges, including but not limited to delivery of Products upon acquisition by Customer (by way of purchase or by way of lease) and removal of Products upon termination of any lease without Customer's exercise of any applicable right to purchase such Products. Customer will be responsible for any non-typical delivery and removal charges. Examples of such non-typical charges are, upending of equipment, movement of equipment up and down stairs, etc. .
-
6. **QUALIFYING LEVEL.** The Customer agrees to acquisitions during the term of this Agreement which will achieve a Qualifying Level (as defined in Exhibit I) of 160 points for Products listed in Exhibit I. Such Products will be acquired for use within Customer's own business enterprise and not for remarketing.
 7. **TERM.** The term of this Agreement shall be twelve (12) months from the date this Agreement is accepted by Xerox as set forth on the signature page attached hereto, and shall expire at the end of twelve full calendar months. Notwithstanding the foregoing, to the extent that the term of any agreement, including but not limited to any lease or maintenance agreement entered into pursuant to any Attachments has not expired, such agreement, including but not limited to the general terms set forth on Exhibit II attached hereto, shall survive the termination of this Agreement, and such agreements shall expire in accordance with their express terms. This Agreement shall supercede any terms and conditions attached to any individual Order Document and, except for any ongoing purchase obligations, shall survive the duration of the installation of such Equipment.

8. **NON-FULFILLMENT.** If Customer has not issued Order Documents that meet or exceed the Qualifying Level points for the Products defined herein, Customer shall, prior to the end of the term of this Agreement, submit Order Documents for such Products to cover the point deficiency and accept delivery for all such orders. If such Order Documents are not submitted, or if Customer refuses to accept delivery of any Product for which an Order Document has been issued, Customer will pay NonFulfillment Charges in an amount equal to \$200.00 times the Qualifying Level point deficiency. Should the delivery and installation of the equipment listed on Exhibit II occur, no non-fulfillment charges would be billed.
9. **TOTAL SATISFACTION GUARANTEE.** If Customer is not totally satisfied with any Xerox Equipment ordered under this Agreement, Xerox will, at Customer's request, replace it without charge with an identical model or, at the option of Xerox, with a machine with comparable or greater features and capabilities. This guarantee will be effective for three years following initial Equipment delivery, unless the Equipment is financed by Xerox for more than three years, in which event it will be effective during the entire term of Xerox financing (except for certain previously-installed models which receive coverage for one year). This Guarantee applies only to Equipment which has been continuously maintained by Xerox or its authorized representatives under a Xerox express warranty or Xerox Maintenance plan.
10. **ENTIRE AGREEMENT.** This Agreement, including any applicable exhibits, constitutes the entire Agreement as to its subject matter, supersedes all prior oral and written agreements, and shall be construed under the laws of the State of New York (without regard to conflict-of-law principles). Each party may retain a reproduction (e.g., electronic image, photocopy, facsimile) of this Agreement which shall be considered an equivalent to the original. All changes to this Agreement must be made in a writing signed by both parties; accordingly, any terms on Customer's ordering documents shall be of no force or effect. Nothing contained in this Agreement shall be deemed as a waiver or release of any claims that Customer may have against Xerox.

GENERAL TERMS. The following terms apply to all transactions:

1. **PRODUCTS AND EQUIPMENT STATUS.** The term "Products" shall refer collectively to all equipment (the "Equipment"), software (including but not limited to Application Software and Base Software as defined herein), and supplies ordered under this Agreement. Customer may enter into agreements to purchase, lease or license Products or obtain maintenance services therefore, or may enter into certain other agreements with regard to such Products pursuant to certain Attachments to this Agreement, including but not limited to Order Documents. All capitalized terms not otherwise defined herein shall have the meaning set forth in the applicable Attachment. Customer represents that the Products are being acquired for Customer's own use (rather than resale) and that they will not be used primarily for personal, household or family purposes. In support of Xerox's environmental leadership goals, Equipment will be either:
 - a) "Newly Manufactured", which may contain some recycled components that are reconditioned;
 - b) "Factory Produced New Model", which is manufactured and newly serialized at a Xerox factory, adds functions and features to a product previously disassembled to a Xerox predetermined standard, and contains both new components and recycled components that are reconditioned; or
 - c) "Remanufactured", which has been factory produced following disassembly to a Xerox predetermined standard and contains both new components and recycled components that are reconditioned.
2. **NON-CANCELABLE AGREEMENT.** CUSTOMER'S AGREEMENT TO PURCHASE EQUIPMENT ON AN INSTALLMENT BASIS OR LEASE EQUIPMENT CANNOT BE CANCELED OR TERMINATED EXCEPT AS EXPRESSLY PROVIDED HEREIN. CUSTOMER'S OBLIGATION TO MAKE PAYMENTS AND TO PAY ANY OTHER AMOUNTS DUE SHALL BE ABSOLUTE AND UNCONDITIONAL AND SHALL NOT BE SUBJECT TO ANY DELAY, REDUCTION, SET OFF, DEFENSE, COUNTERCLAIM OR RECOUPMENT FOR ANY REASON WHATSOEVER. ANY CLAIM WHICH CUSTOMER MAY HAVE AGAINST XEROX MAY BE ASSERTED IN A SEPARATE ACTION AND SOLELY AGAINST XEROX, PROVIDED CUSTOMER CONTINUES TO FULFILL ALL OF ITS OBLIGATIONS UNDER THIS AGREEMENT.
3. **PAYMENT, TAXES AND CREDIT HISTORY.** Payment is due within thirty (30) days of date of the invoice. If Customer fails to make such payment Xerox, in addition to its other remedies (including the cessation of Basic Services), may require immediate payment of (a) all amounts then due; (b) late charges to cover Xerox's Cost of collection equal to \$25.00 (not to exceed the amount permitted by law); (c) interest on all amounts due from the due date until paid at the rate of one and one-half percent (1.5%) per month (not to exceed the maximum amount permitted by law).

A. Customer shall be responsible for any and all applicable Taxes, which will be included in Xerox's invoice unless Customer provides proof of Customer's tax exempt status. "Taxes" shall mean any tax, assessment or charge imposed or collected by any governmental entity or any political subdivision thereof, however designated or levied, imposed on this Agreement or the amounts payable to Xerox by Customer for the billing of Products, Print Charges (as defined on the individual Order Document), services and maintenance of any kind; Taxes include, but are not limited to, sales and use, rental, excise, gross receipts and occupational or privilege taxes, plus any interest and/or penalty thereon to the extent that such interest or penalty was solely the result of Customer's failure to pay the invoice on which such taxes were included in a timely fashion, but excluding any personal property taxes and taxes on Xerox's net income. If a taxing authority determines that Xerox did not collect all applicable Taxes, Customer shall remain liable to Xerox for such additional Taxes.
4. **BASIC SERVICES.** Xerox will provide the following Basic Services under an express warranty, rental, maintenance, or lease agreement (each of which shall be reflected by an Attachment to this Agreement) (unless Customer is acquiring Equipment for which Xerox does not offer Basic Services; such equipment to be designated as "No Svc"). All such Basic Services shall be performed in a workmanlike manner in accordance with industry standards:

A. **REPAIRS AND PARTS.** Xerox will make adjustments and repairs necessary to keep Equipment in good working order in accordance with the specifications provided for such Equipment (including such adjustments or repairs required during initial installation). Parts required for repair may be new,

reprocessed, or recovered. All replaced parts and materials will become Xerox's property.

B. HOURS AND EXCLUSIONS. Unless otherwise specified, Basic Services will be provided during Xerox's standard working hours (Monday through Friday 8:00 am until 5:00 pm local time, excluding Xerox recognized holidays) in areas within the United States, its territories, and possessions open for repair service for the Equipment at issue. Basic Services shall cover repairs and adjustments required as a result of normal wear and tear or defects in materials or workmanship (and shall exclude repairs or adjustments Xerox determines in good faith to relate to or be affected by the use of options, accessories, or other connected products not serviced by Xerox or its authorized agent as well as any alterations, relocation, service, supplies, or consumables not provided by Xerox or Xerox's authorized agent).

C. INSTALLATION SITE AND METER READINGS. The Equipment installation site must conform to Xerox's published requirements. Xerox is required to provide such requirements in advance of signing Xerox Order Documents for specific pieces of Equipment. Once the Equipment is installed and remains in the original configuration, the published requirements provided prior to the signing of the Xerox Order Documents for such Equipment shall not change throughout the term of this Agreement. If applicable, Customer will provide meter readings in the manner prescribed by Xerox. If Customer fails to provide timely readings, Xerox may estimate them and bill Customer accordingly.

D. REMEDY. If Xerox is unable to maintain the Equipment as described above, Xerox will, as Customer's exclusive remedy for Xerox's providing Basic Services, replace the Equipment with an identical product or, at Xerox's option, another product that provides equal or greater capabilities. This replacement product shall be subject to these same terms and conditions. E.

CARTRIDGE PRODUCTS. If Xerox is providing Basic Services for a product utilizing cartridges designated by Xerox as customer replaceable ("Cartridges"), and unless Customer has entered into a Standard Maintenance Agreement as described below, Customer agrees to use only unmodified cartridges purchased directly from Xerox or its authorized resellers in the United States.

F. OPERATOR MAINTENANCE PROCEDURES FOR DOCUCOLOR 70, DOCUCOLOR 100 AND DOCUCOLOR 130. G. PC/WORKSTATION REQUIREMENTS. In order to receive Basic Services and/or Software Support for equipment requiring connection to a PC or workstation, Customer must utilize a PC or workstation that either (1) has been provided by Xerox or (2) meets Xerox' published specifications.

5. WARRANTY DISCLAIMER. XEROX DISCLAIMS THE IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE.
6. INTELLECTUAL PROPERTY INDEMNITY. Xerox represents and warrants that the Products do not infringe, misappropriate, or otherwise violate a third party's U. S. intellectual property rights. Xerox will defend and indemnify Customer if any Product is alleged to infringe, misappropriate or otherwise violate someone else's U. S. intellectual property rights including but not limited to patents, copyrights trademarks or trade secrets, provided Customer promptly notifies Xerox of the alleged infringement and permits Xerox to direct the defense. Xerox is not responsible for any non-Xerox litigation expenses or settlements unless it pre-approves them in writing. To avoid infringement, Xerox may modify or ~~substitute an equivalent Product, refund the price paid for the Product (less the reasonable rental value~~ for the period it was available to Customer), or obtain any necessary licenses. Xerox is not liable for any infringement-related liabilities outside the scope of this paragraph including but not limited to infringement based upon a Product being modified to Customer's specifications or being used or sold with products not provided by Xerox. The provisions of this Paragraph 6 shall survive the termination of this Agreement.
7. INDEMNIFICATION. During the term of this Agreement, Xerox shall, subject to a maximum of one million dollars (\$1,000,000.00) per occurrence, hold harmless and indemnify Customer from any and all third party (including, but not limited to, Customer's employees) claims, liabilities, losses, judgements, costs and expenses (including reasonable attorney fees) for personal injury (including death) or for damage to or destruction of tangible property. Provided, however, Xerox's liability hereunder shall not exceed that portion of any damages deemed by a court or administrative agency of competent jurisdiction to have been proximately caused by the acts or failure to act of Xerox, its agents or employees. The

foregoing indemnity shall be contingent upon you notifying Xerox of a claim to be indemnified hereunder in a writing sent by registered mail to "Corporate Risk, Xerox Corporation, Long Ridge Road, Stamford, Connecticut 06904" with a copy to "Office of General Counsel, Xerox Corporation, Clinton Avenue South, XR2-21D, Rochester, New York 14644 promptly after you become aware of such claim. The foregoing indemnity shall not apply to settlements of claims made by Customer without Xerox's consent. Xerox shall have no liability under the foregoing indemnity for incidental, consequential, indirect, or special damages, including, but not limited to, loss of profits. The provisions of this Paragraph 7 shall survive the termination of this Agreement.

8. **ATTORNEYS FEES.** In any action to enforce this Agreement, the parties agree to pay the prevailing party's costs and expenses, including reasonable attorneys' fees.
9. **LIMITATION OF LIABILITY.** Except with regard to the indemnification set forth in Sections 6 and 7 above, Xerox shall not be liable to Customer for any direct damages in excess of \$10,000 or the total amounts payable hereunder, whichever is greater, and, neither party shall be liable to the other for any special, indirect, incidental, consequential or punitive damages arising out of or relating to this Agreement, whether the claim alleges tortious conduct (including negligence) or any other legal theory.

10.

Xerox may assign this Agreement, in whole or in part, without prior notice to Customer. Each successive assignee of Xerox shall have all of the rights but none of the obligations of Xerox hereunder. Customer shall continue to look to Xerox for performance of Xerox's obligations, including the provision of Basic Services, and waive and release any assignees of Xerox from any such claim. Customer shall make all payments due hereunder to any assignees specified by Xerox, in accordance with the instructions of said assignees. Customer shall not assert any defense, counterclaim, or setoff that Client may have or claim against Xerox against any assignees of Xerox. An assignment by Xerox under this Paragraph shall not be deemed as waiver or release of any claims that Customer may have against Xerox.

In addition, many Equipment models are designed to function only with cartridges that are newly manufactured original Xerox cartridges or with cartridges intended for use in the U.S. Equipment configuration which permits use of non-newly manufactured original Xerox cartridges may be available from Xerox at an additional charge. Certain cartridges are also sold as Environmental Partnership Cartridges; Customer agrees that these cartridges remain the property of Xerox and Customer shall return them to Xerox for remanufacturing once they cease functioning.

The Minimum Lease Payment (which may be billed on more than one invoice) shall consist of the total of (1) any Base Charge and (2) any Monthly Minimum Number of Prints multiplied by the applicable Meter 1 Print Charge(s). For full-color equipment, color copies are counted on Meter 1.

21. **MAINTENANCE COMPONENT PRICE INCREASES FOR LEASED EQUIPMENT.** Except for fixed prices as agreed to by the parties, Xerox may annually increase that amount of Customer's Minimum Lease Payment and Print Charges that Customer is charged for the maintenance of Equipment (the "Maintenance Component"), each such increase not to exceed 10%.
22. **TITLE, RISK AND RELOCATION OF LEASED EQUIPMENT.** The title to the leased Equipment shall remain with Xerox unless and until Customer exercises its option to purchase the leased Equipment. The risk of loss arising due to Customer's fault or negligence, or due to theft or disappearance, shall pass to Customer upon shipment from a Xerox-controlled facility. The risk of loss due to all other causes shall remain with Xerox, unless and until Customer exercises its option to purchase the leased Equipment. Unless and until title passes to Customer, all Equipment relocations must be arranged (or approved in advance) by Xerox. All parts/materials replaced as part of an upgrade will become Xerox' property.
23. **QUIET ENJOYMENT.** So long as Customer is not in default of this Agreement, and no event has occurred and is continuing that with notice or the lapse of time or both would constitute a default, neither Xerox nor any assignee of Xerox will interfere with Customer's quiet enjoyment of the Equipment.
24. **LEASE RENEWAL.** Unless either party provides notice at least 30 days before the end of the lease term of its intention not to renew the lease, it will be deemed renewed automatically on a month-to-month basis at the same price and on the same terms and conditions. Billing will occur at the same frequency as the original lease. During this renewal period, either side may terminate this Agreement upon at least 30 days notice.
25. **BREACH OF LEASE.** If Customer breaches this Agreement, Xerox, in addition to its other remedies (including the cessation of Basic Services), may require immediate payment of (a) all amounts then due; (b) the remaining Minimum Lease Payments in the Agreement's term [less any unearned finance, maintenance, and supply charges]; (c) a reasonable disengagement fee calculated by Xerox [the amount not to exceed 15% of b]. In addition to paying the amounts required in the preceding sentence if Customer defaults, the Customer shall at its election either (1) return the Equipment to Xerox in the same condition as when delivered, reasonable wear and tear excepted, when requested so by Xerox, or (2) purchase the Equipment by paying Xerox the applicable Purchase Option. Once these sums are paid, title shall pass to Customer.
26. **PURCHASE OPTIONS FOR LEASE EQUIPMENT.** Customer may purchase the Equipment at the end of the lease term for the Purchase Option indicated in this Agreement (i.e., either a set dollar amount or the Fair Market Value of the Equipment at the lease term's conclusion ["FMV"]). Customer may purchase the Equipment at any time during the lease by paying (a) all amounts then due; and (b) the remaining Minimum Lease Payments in the Agreement's term [less any unearned finance, maintenance, and supply charges]; (c) a reasonable disengagement fee calculated by Xerox [the amount of such fee shall not exceed 15% of (b)]; and (d) the applicable Purchase Option. When these amounts have been fully paid, title to the Equipment will transfer to Customer.
27. **PROTECTION OF XEROX' RIGHTS.** Unless and until Customer purchases the leased Equipment, Customer hereby agrees to execute such documents as Xerox may reasonably request to protect Xerox' rights as Equipment Lessor (including the perfection of Xerox' purchase money security interest that shall attach to all Equipment for which the Purchase Option is a set dollar amount).
28. **SOFTWARE.** The following Software terms and conditions apply only to transactions covering Application Software and Printing System, DocuTech, Color, High-Volume and Digital Copier-Duplicator, and Document Centre Products.
Software License: The following terms apply to copyrighted software and accompanying documentation, including but not limited to operating system software included with or within the Equipment ("Base Software"), as well as software specifically set out as "Application Software" on the face of an individual agreement. This license does not apply to any Diagnostic Software nor to any software and

accompanying documentation made subject to a separate license agreement.

A. Xerox grants Customer a nonexclusive, non-transferable license to use the Base Software only on or with the Equipment with which (or within which) it was delivered and to make one back-up copy. For Application Software, Xerox grants Customer a nonexclusive, non-transferable license to use this software on any Equipment Customer desires along with the right to make one back-up copy for as long as Customer is current in the payment of any indicated software license fees (including the Annual Renewal Fees, if any). Customer has no other rights to the Base or Application Software and, in particular, may not (i) distribute, copy, modify, create derivatives of, decompile, or reverse engineer the Base or Application Software, (ii) activate any software delivered with or within the Equipment in an inactivated state; or (iii) allow others to engage in same. Title to the Base and Application Software and all copyrights and other intellectual property rights in it at all times shall reside solely with Xerox and/or its licensors (who shall be considered third party beneficiaries of the Agreement's software and limitation of liability provisions).

B. Xerox may terminate Customer's license for any Base Software (i) immediately if Customer is an end user of the Equipment and no longer uses or possesses it or is a lessor of the Equipment and Customer's first lessee no longer uses or possesses it or (ii) upon the date of termination of any agreement under which Customer has rented or leased the Equipment, in the event the Customer has not exercised any applicable Purchase Option.

C. If Customer transfers possession of the Equipment, Xerox, subject to Xerox's then-applicable terms and license fees (if any) and provided the transfer was not in violation of Xerox's rights, will offer the transferee a license to use the Base Software on or with it.

D. Xerox warrants that the Base and Application Software will perform in material conformity with its published specifications for a 90-day period from the date it is delivered or, for software installed by Xerox, the date of software installation. Neither Xerox nor its licensors warrant that the Base or Application Software will be free from other types of errors or that its operation will be-uninterrupted.

Software Support: During the period that Xerox provides Basic Services for the Equipment, Xerox also will provide software support for the Equipment's Base Software under the following terms. For Application Software, Xerox will provide this same level of support, provided Customer is current in the payment of all Initial License and Annual Renewal Fees (or, for programs not requiring Annual Renewal Fees, the payment of the Initial License Fee and the annual "Support Only" Fees):

A. Xerox will assure that Base and Application Software performs in material conformity with its specifications and, during standard business hours (8:00 am until 5:00 pm local time), will provide a toll-free hotline for responding to questions regarding Base and Application Software.

B. Xerox may make available new releases of the Base or Application Software that exclusively incorporate coding-error fixes ("Maintenance Releases"). Maintenance Releases are provided at no charge and must be implemented within six months after being made available to customer. Each new Maintenance Release, accepted by Customer, shall be considered Base or Application Software governed by the Software License terms. Customer agrees to return or destroy all prior releases.

C. Xerox will use reasonable effort, either directly or with its vendors, to resolve coding errors or provide workarounds or patches, provided Customer reports problems substantially in the manner reasonably specified by Xerox. Xerox does not guarantee that it or its vendors will be able to fix coding errors or provide workarounds or patches.

D. Xerox shall not be obligated to remedy coding errors when Customer has made modifications to the Base or Application Software.

E. Except for fixed prices as agreed to by the parties, Xerox, annually, may adjust the Annual Renewal and Support-Only Fees; each such increase not to exceed 10%.

Diagnostic Software: Software used to maintain the Equipment and/or to diagnose its failures or substandard performance (collectively "Diagnostic Software") is embedded in, resides on, or may be loaded onto the Equipment. Title to the Diagnostic Software at all times shall remain solely with Xerox and/or Xerox's licensors. In addition, the Diagnostic Software and the method of entry or access to it constitute valuable trade secrets of Xerox. As part of this Agreement, Customer agrees that (i) its acquisition of the Equipment does not grant it a license or right to use the Diagnostic Software in any manner and (ii) that unless separately licensed by Xerox to do so, Customer will not use, reproduce, distribute, or disclose the Diagnostic Software (or allow third parties to do so) for any purpose. Customer

agrees to allow Xerox at all times (including subsequent to the expiration of this Agreement) to access, monitor, or otherwise take steps to prevent unauthorized use or reproduction of the Diagnostic Software.

ADDITIONAL TERMS: The following additional terms apply only to the extent that Customer have agreed to one or more of the options described below:

29. **SUPPLIES INCLUDED IN BASE/PRINT CHARGES.** If this option has been selected, Xerox will provide Customer with black toner, black developer, copy cartridges, and fuser ("Consumable Supplies") throughout the term of Customer's applicable agreement. For full-color Equipment, Consumable Supplies shall also include color toner and developer. Customer agrees that the Consumable Supplies are Xerox' property until used by Customer, that Customer will use them only with the Equipment, that Customer will return all Cartridges to Xerox for remanufacturing once they have been run to their cease-function point, and that Customer will return any unused Consumable Supplies to Xerox at the end of the applicable agreement. Should Customer's use of Consumable Supplies exceed the typical use pattern (as determined by Xerox) for these items by more than 10%, Customer agree that Xerox shall have the right to charge Customer for any such excess usage.
30. **REPLACEMENT/MODIFICATION OF PRIOR XEROX AGREEMENT.** If this option has been selected, this Agreement will replace or modify a prior agreement between Customer and Xerox covering the specified Equipment. If it is a replacement agreement, the prior agreement shall be null and void. If it is a modification, the prior agreement shall remain in effect except that any new terms presented in this modification Agreement (e.g., price, duration, configuration) shall take precedence over the prior terms for the balance of the Agreement. In addition, modifications requiring a reamortization of payments may include a one-time administrative/processing charge which will appear on Customer's first bill under this revised arrangement.
31. **FINANCED SOFTWARE TOTAL.** If this option has been selected, the initial license fees for any Application Software set forth in this Agreement shall be included in the amount financed on an installment basis or Minimum Lease Payment and be paid for through Customer's payments. If Customer breach this software license or any of Customer's obligations regarding the Equipment, the full amount of the initial license fees shall be immediately due and payable.
32. **FINANCED SUPPLIES TOTAL.** If this option has been selected, the cost of any supplies Customer has purchased under this Agreement shall be included in the amount financed on an installment basis or Minimum Lease Payment and shall be paid for through Customer's payments. If Customer breaches any of Customer's obligations regarding the Equipment, the full amount of the supply costs shall become immediately due and payable.
33. **REFINANCE OF PRIOR AGREEMENT.** If this option has been selected, the balance of Customer's prior indicated agreement with Xerox or a third-party shall be included in the amount financed on an installment basis or Minimum Lease Payment and shall be paid for through Customer's payments. If Customer's prior agreement is with a third-party, Customer hereby acknowledge that Customer has the right to terminate the agreement and agrees to provide a statement from the third-party identifying the ~~equipment at issue and the amount to be paid off (as well as a statement from Customer identifying the~~ payee and mailing address for Customer's payoff check). If Customer's prior agreement was with Xerox, the use of this refinance option shall render Customer's prior agreement null and void. If Customer breaches this Agreement, the full amount of Customer's prior agreement balance shall be immediately due and payable.
34. **TRADE-IN EQUIPMENT.** If this option has been selected, Customer is providing equipment to Xerox as part of this Agreement ("Trade-In Equipment") and the following shall apply:
- A. **TITLE TRANSFER.** Customer warrants that Customer has the right to transfer title to the Trade-In Equipment and that it has been installed and performing its intended function for the previous year at the address where the replacement equipment is to be installed. Title and risk of loss to the Trade-In Equipment shall pass to Xerox when Xerox removes it from Customer's premises.
- B. **CONDITION.** Customer warrants that the Trade-In Equipment is in good working order, has not been modified from its original configuration (other than by Xerox), and has a UL label attached.

Customer agrees to maintain the Trade-In Equipment at its present site and in substantially its present condition until removed by Xerox.

C. ACCRUED CHARGES. Customer agrees to pay all accrued charges for the Trade-In Equipment up to and including payment of the Final Principal Payment Number and to pay all maintenance, administrative, supply and finance charges for this equipment through the date title passes to Xerox.

35. COMPETITIVE REPLACEMENT PROGRAM. If this option has been selected, Xerox will provide Customer with the discount indicated in exchange for Customer's agreement to return a unit of non-Xerox equipment Customer is currently leasing (the "Competitive Equipment") to its Lessor. In doing so, Customer acknowledges that the Equipment Customer is acquiring under this Agreement is replacing the Competitive Equipment and that Customer's agreement with its Lessor allows Customer to return the Competitive Equipment at this time.
36. NEGOTIATED CONTRACT. If this option has been selected, and this Agreement has been identified, the applicable agreement is subject to the terms set forth in this Agreement.
